9/11 MEMORIAL DEDICATION

Livonia Fire Department
Livonia, New York
September 11, 2011

*You touched so many
That September day
With a sky bright blue and warm
“Just doing my job”
Is what you would say
As you answered the call of alarm.*

*How could you know
That September day
With a sky bright blue and clear
All the lives you would save
All the lives to be lost
By many the world held dear.*

*Working shoulder to shoulder,
That September day
With a sky bright blue and fair
Your brothers and you
Went beyond what was asked
As the towers fell out of the air.*

*Let us always remember
That September day
With a sky bright blue and warm
The lives that you gave
All the lives that were lost
As you worked to keep others from harm.*

*Let us keep in our hearts
That September day
With a sky bright blue and clear
All the brothers who passed
And the ones who remain
To save us from heartache and fear*

*So now we say thank you
This September day
With a sky bright blue and fair
To those who respond
“I’m just doing my job”
To serve and protect and to care.*
